The pathasala Committee have now proposed :-

(1) to enhance the scale of pay of the principal in grade Rs 50-5-100 to Rs 100-10-150 ;

(2) to reduce the minimum of the grade of pay of the full-time teachers from Rs 25 to Rs 25/- ;

(3) two posts of grade pay Rs 25-2-35-2½-60, 2-75 for 3 teachers and Rs 25-2-35-2½-60 for the remaining 4 teachers, the former grade being filled by persons who have passed the Vidwat Examination in Veda and Vidya among the branches of the Shastra and the latter being filled by persons who have passed the Vidwat Examination in Veda and the allied subjects.

The Mysore Commissioner has stated that the benefit of the proposed salaries should be confined among the members of the Establishment and he has proposed that the scale pay of the principal may be enhanced to Rs 50-5-125 as against the grade 50-5-100-10-150 proposed by the Committee and the Chairman of the Committee is agreeable to this change.

5 Taking the enhanced pay of the principal the total average cost per year is estimated at Rs 300 approximately. But as this pay is proposed finally to be reduced and fixed at a maximum of Rs 125, the extra cost will be Rs 13/mo or Rs 156 per annum (and not Rs 3 per annum stated by the H.C) and this is proposed to be met from Government Grant. It is not clear whether the Grant referred to by the H.C means an additional grant to be made for the purpose or any existing

The existing scale of pay is verified and found correct. The proposed scale in repeat of some teachers is elaborate containing three rates of annual increments viz., 25-2-35-2½-60-3-75. The average cost of the pay of the Principal (Rs.60-5-125) as proposed by the Muzrai Commissioner, and which is now shown in the proposition statement in place of 50-5-100-10-150 would work up to Rs.91 2/3 per mensem.

The extra cost during the current year will not be much and may perhaps be met from the savings under '13 Mug Institutions'. The proposals are modestly conceived and the staff have not had the benefit of any revision of scales for over 9 years. The Mug Commr states that the members of the teaching staff are all graduates of high attainments whom it would be invidious not to treat on a par with the teachers of similar institutions in the State. The proposals may therefore be agreed to

13. This is a new proposal involving extra recurring expenditure and under present financial conditions, additions to recurring expenditure will have to be avoided as far as possible. Though the average extra cost as per proposition statement is only Rs 270/- per annum, the real extra cost will be more and the reduced minimum of Rs 25 and the reduced rates of increment suggested for teachers will be ineffective for the present and can apply only to future entrants.

modifications:-

Teachers.- The revised pay of all teachers may be ~~permitted to stand at~~ Rs 30-2-60 with the proviso that the new recruits will be on probation on Rs 25/- for ~~one~~ two years and after confirmation will get into the grade. Long term scales and overlapping grades have been considered as unsuitable and will have to be avoide in the case of new sanctions. If it is considered absolutely necessary that three of the teachers who have reached the maximum of Rs 60/- already in the grade and who possess qualifications of a higher type have to be allowed an increase of pay, a personal pay of Rs 60-3-75 may be allowed to them against the three places in the present grade.

Clerk.- The present clerk is drawing Rs 22/- in the grade Rs 20-1-25 and the immediacy of the question of revision can only arise after he reaches the maximum of the present grade. But if a revision now alone is considered absolutely necessary, the revised pay may ~~xxx~~ stand at Rs 20-1-30 instead of Rs 20-1½-35 as proposed.

The pay proposed for those posts is only Rs. 30-2-60 though Rs. 60-3-75 is to be given to the present incumbents till they are transferred or absorbed elsewhere or retired. My proposals do not thu involve more extra cost than the proposals of the Muzr Commissioner as stated above, but on the other hand th extra cost would be much less viz., Rs. 128/- P.A. as against Rs. 300 of the Muzrai Commissioner's proposals I would therefore suggest my proposals being adopted.

GENERAL SECRETARY 12 NOV. 1938

SIR,

Revision of Establishment
of
Sri Chamarajendra Veda Maha Pathasala, Bangalore.

I have the honor to forward herewith a copy of letter No.59/38-39 dated 19-10-1938 received from the Chairman, Advisory Committee, Sri Chamarajendra Veda Maha Pathasala, Bangalore, submitting proposals for the revision of the establishment of the Pathasala, as per proposition statement enclosed, and to state as follows:-

2. The Pathasala is maintained out of State Funds and necessary provision is being made in the detailed budget estimates under "13 Muzrai Institutions". A supplemental annual grant of Rs 500 is also being paid to the Pathasala towards the hostel expenses, from the Chattram Savings Fund.

3. The scale of the Establishment of the Pathasala was last revised in G.O.No.2786-7/Muz.235-28-7 dated 20/21-6-1929 and the qualifications of the teachers for the several posts were also prescribed. The Committee have proposed to enhance the scale of pay of the Principal in grade Rs 50-5-100 to Rs 100-10-150 and as regards the pay of all the 7 full-time teachers, they have reduced the minimum of the grade from Rs 30 to Rs 25. They have proposed two sets of grade, viz., Rs 25-3-35-2½-60-3-75 for 3 teachers, and Rs 25-2-35-2½-60 for the remaining 4 teachers, the former grade being filled up by persons who have passed Vidwat Examinations in Veda and

in Sahitya or any one branch of the Sastra, and the latter being filled by persons who have passed the Vidwat Examination in Veda and the allied subjects.

4. The Committee have also proposed small increases to the pay of the clerk and the two peons, and the pupil-teacher for teaching Sukla Vajurveda Trayoga whose continuance for one year has been sanctioned in G.O.No.1549-50/Muz.277-37-2 dated 31st May 1938 and to make the post permanent, as the strength of the class is on the increase every year.

5. The benefit of the proposed revision should be uniform among the members of the Establishment. I consider that the scale of pay of the Principal may be enhanced to Rs 50-5-125 as against Rs 50-5-100-10-150 proposed. The Chairman is also agreeable to this change.

6. The Pathasala is a useful and popular Government institution. The existing scale of pay was fixed nearly 3 years back. The qualifications prescribed for the teachers of this Pathasala are in no way inferior to those demanded to other similar institutions like the Maharaja's Sanskrit College, Mysore, and the Sri Chamarajendra Sanskrit College, Bangalore. But, in fact, double qualifications were being insisted on the teachers of this Pathasala until this rule was recently relaxed in G.O.No.1306-7/Muz.233-37-2 dated 25-5-1938. The present staff of the Pathasala are all Pandits of high attainments, and in the interests of the institution and as well as of its efficiency it is but fair that the pay of the Establishment should be on a par with that available in other similar Sister institutions.

7. I request that sanction of Government may kindly be obtained to the revision of the scale of the Establishment proposed by the Advisory Committee with the modification suggested by me in para 5 supra, the additional cost of Rs 300 being met from Government grant.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Klu

Letter No.59/38-39 dated 19-10-38 from the Chairman, Advisory Committee Dhamarajendra Veda Maha Pathasala, Bangalore, to the Dewan Commissioner Mysore.

I have the honor to submit herewith copy of Resolution No.6 passed by the Advisory Committee of the Pathasala, during the meeting held on 24th August 19 regarding the revision of establishment of the Pathasala as detailed in the enclosed statement of proposition.

The existing scale of pay was sanctioned by Government more than eight years ago in their order No. 3780-7/Muz.255-28-7 dated 20/31-6-1929. The need for this revision was felt by the Committee more than two years ago; but the subject was put off to gain further assurance that the revision was absolutely necessary. In submitting the present revised scale of pay, the Committee has taken every care to keep the extra cost as low as possible in order not to cause embarassment to Government, in the present state of financial depression in fact the total extra cost does not amount to more than Rs 300 per annum, as explained herein.

In revising the scales of pay every care has been taken to suit the present condition. The pandits of this institution are as proficient and turn out the same work as those of the Maharaja's Sanskrit College, Mysore. Every year, they are invited to conduct the Public Examinations held by the Board of Sanskrit Studies and Examinations in Mysore, Mysore. Hence, the Committee have found it desirable to encourage the members of the staff and to keep them in level with the staff of other sister institutions.

The Pathasala is showing good progress from year to year as is evident by the results of the Vidwat examinations held by the Board of Sanskrit Studies and Examinations in Mysore, Mysore. The strength of the Pathasala students was 16 in June 1929 and the same at present is 21 (June 1938). In consequence of this increased strength, the work of the staff of the institution is increased.

The enclosed statement of proposition explains all the particulars regarding the existing and proposed scales of pay. In the proposed scale, three places of pandits noted against 2, 3 and 4 carrying a minimum of Rs 25 and a maximum of Rs 75 are noted, for being utilised in the case of those who possess Vidwat Examination in Veda and also in Sahitya or any one branch of the Sastra the other four places, viz., against Serial Nos. 5, 6, 7 and 8 which carry a minimum of Rs 25 and a maximum of Rs 60 may be made available to those pandits who have passed the Vidwat Examination only in Veda and the allied subjects. The minimum of the Pandits' places has been reduced to Rs 25 in order to keep the same in conformity with that of t

Pandits who have passed the Vidwat Examination are generally*

on Pg.25.

The clerk of the Pathasala also deserves encouragement as he is qualified both in occidental and oriental learning, suitable to the requirements of the Pathasala. He has also passed the Accounts Higher Examination of December 1932 held by the Government of Mysore. The revised scale of pay proposed for this clerical place is in conformity with that of the Bangalore Sanskrit College and other institutions.

The peons of the Pathasala may also be encouraged as they have put in sufficiently long service in this institution. They have to attend both to the Pathasala work and also to the work of the hostel attached to the same. The revised scales of pay proposed for the peons are 11-½-13 and 10-½-11 as noted in the proposition statement.

The post of pupil teacher was sanctioned as a temporary measure last year and has been sanctioned to be continued during the current year as per Government Order quoted in the proposition statement. This post was sanctioned for teaching Sukla Yajurveda Prayoga and students are increasing in number for this class. Originally, that is, last year the strength of this class was 6 and this year it is 10. I, therefore request that this place may kindly be recommended for continuing permanently with the revised scale of 15-1-20.

Lastly, the Principal of the Pathasala, who has passed M.A. Degree Examination of the Mysore University in two branches, is of very great service to the institution. The conditions of the Pathasala are in good progress. It is already four years since he has reached the maximum of Rs.100 in the existing grade Rs.50-5-100 and the revised scale of pay is Rs.50-5-100-10-150 which is in conformity with the pay and salary of the heads of other sister institutions.

Under these circumstances, I request you to be kind enough to recommend to Government the revision of establishment as proposed now, for favour of sanction.
